PLEASE READ THESE TERMS CAREFULLY BEFORE PURCHASING ANY PRODUCTS. BY MAKING A PURCHASE ON THE MPS SITE, BUYER IS INDICATING THAT IT HAS READ THESE TERMS, UNDERSTANDS THEM, AND AGREES TO BE LEGALLY BOUND BY THEM. IF BUYER DOES NOT AGREE TO ANY OF THE TERMS OR IF THE INDIVIDUAL SUBMITTING THE ORDER IS NOT AUTHORIZED TO BIND THE ENTITY ON BEHALF OF WHICH SUCH INDIVIDUAL IS ACTING, PLEASE DO NOT PROCEED WITH ORDERING ANY PRODUCTS THROUGH THE MPS SITE.

1. **Complete Agreement.** Any terms or conditions included in any other documents, orders, specifications, requirements or communications issued or generated by Buyer that are inconsistent with or in addition to the terms and conditions in these Terms will be deemed stricken and are hereby rejected. These Terms constitute the entire agreement between MPS and Buyer with regard to the sale of Products through the MPS Site, and expressly supersedes and replaces any prior or contemporaneous understandings, agreements and representations, oral or written. MPS's acceptance of any Order is conditional on Buyer's unqualified assent to all terms and conditions in these Terms. Buyer may not cancel or reschedule any Order placed with MPS, except as otherwise agreed by MPS. There may be limits on where MPS can ship Products as set forth in MPS's shipping policies.

3. **Cancellation.**

(e) Buyer may not cancel for default unless and until MPS has failed to correct such default within 45 days (for standard Orders/Products) or within 60 days (for custom/special or other non-standard Orders/Products) of MPS's receipt of written notice of default.

(f) MPS may cancel for convenience by giving 30 days' notice.

4. **Shipping.** MPS will ship all Products by the method it deems suitable and will select a carrier who will be deemed to act as Buyer's agent. Freight, duty, insurance, shipping, handling or packing charges and any other similar charges are not included in the Product price and are the responsibility of Buyer. If MPS pays for any of these expenses, Buyer will reimburse MPS for such expenses in accordance with the invoice provided by MPS within 30 days of the date of such invoice. MPS may make delivery in installments and may render a separate invoice for each installment. All shipping and delivery dates are approximate and MPS may change the shipping and delivery dates without penalty. MPS will use reasonable efforts to notify Buyer of such change.

5. **Title; Risk of Loss.** All shipments are made EXW/FCA (as defined in Incoterms 2020) from MPS' facility or

designated logistics center. Title to the Products and risk of loss or damage to the Products will pass to Buyer immediately upon delivery to Buyer or its carrier agent at the MPS facility or designated logistics center. Notwithstanding title to the Products passing to Buyer, title does not pass to Buyer as to any intellectual property rights or software of MPS (or its licensors).

6. Payment. Payment for an Order will be made in full by Buyer upon submission of the Order, unless otherwise agreed by MPS. Any amount that MPS agrees may be paid after delivery is due to MPS within thirty (30) days, or such lesser period as may be determined by MPS as set forth in the applicable invoice. Any late payments are subject to finance charges. In addition to the Product price and any shipping costs, Buyer will be responsible for and pay all applicable Federal, state, local or other sales, value added, excise and other similar taxes and/or charges that may apply to the purchase of Products by Buyer, whether or not they are added to the purchase price and shown on the checkout page. MPS accepts payment through the credit cards, debit cards and third party electronic payment processing services specified on the checkout page. By providing MPS with a payment method, Buyer: (i) represents that it is authorized to use the payment method provided and that any payment information provided is true and accurate; (ii) authorizes MPS to charge Buyer for the Products ordered. Payments will be subject to the terms, conditions and privacy policies of the third party payment processor. MPS is not responsible for any error by the third party payment processors. Shipment of Product and/or performance of any related services will at all times be subject to approval by MPS's finance/credit department and MPS may at any time decline to make any shipments except upon receipt of payment. Except as otherwise expressly set forth herein, any payments made for Products are non-refundable. If, in the judgment of MPS, the financial condition of Buyer at any time does not justify continued production or shipment, then MPS may require full or partial payment in advance or MPS may cancel any outstanding Order. If all the Products are not delivered at one time, then Buyer agrees to pay the unit price applicable to the Products delivered.

7. Discontinuation or Change of Products. MPS reserves the right, at any time (including after Buyer places an Order, but prior to MPS's shipment or performance of the Order), to: (i) make substitutions and/or modifications in the specifications of Products offered for sale by MPS, and (ii) discontinue or otherwise end-of-life any Product offered for sale by MPS.

Repaired or replacement Products or parts provided under warranty are warranted for the remainder of the original Warranty Period or ninety (90) days from the date of delivery, whichever ends later. Notwithstanding the foregoing, Buyer will comply with MPS's requests and directions related to Product related claims, including but not limited to returning any and all Products at issue at any time.

(b) This limited warranty is contingent upon proper installation and use of the Products in the applications for which they were intended and does not apply to: (i) Products that were subjected to unusual physical or electrical stress, misuse, neglect, accident, improper testing or storage, improper maintenance or unauthorized repair, (ii) Products were altered or soldered such that they are not capable of being tested under normal test conditions, (iii) problems that arise from any use of Products with other products, hardware, software or technology not approved by MPS or from use of Products in designs that fail to satisfy any of the recommended parameters (e.g., component values, electrical characteristics, circuit configurations, operating conditions, etc.) published in MPS Product data sheet, or (iv) use of Products in violation of these Terms. This limited warranty does not include

expendable components. This limited warranty is non-transferable and shall extend only to Buyer, and will terminate upon any resale or transfer of the Product to any third parties (including, without limitation, Buyer's suppliers, customers or end users) whether or not at the time of resale or transfer the Product was incorporated into another product or system.

(c) In the event of a breach of this limited warranty, Buyer shall notify MPS in writing by describing the nature of the non-conformity, and return the affected Products to MPS in accordance with MPS's then-current RMA policies, within the Warranty Period. Buyer will ship such products back to MPS, DDP (Incoterms 2020) MPS's designated facility, at Buyer's expense. MPS will, at its option, promptly repair or replace non-conforming Products, or issue a credit for the purchase price of the non-conforming Products, and will pay the costs of any such repair or replacement, including transportation costs incurred in returning repaired or replaced Products to Buyer, unless (i) the Products are not defective, in which case Buyer will pay MPS reasonable costs of inspection and all shipping/transportation charges, or (ii) the Products are found by MPS to be defective due to Buyer's or any third party's improper installation, repair, damage, misuse, modification or abuse, in which case Buyer will pay all costs of repair or replacement and shipping/transportation. Parts used in repairing or servicing Products may be new, equivalent-to-new, or reconditioned. The remedy stated in this Section 11 shall be Buyer's sole remedy and MPS's sole obligation in case of any breach of limited warranty by MPS.
